

START YOUR SEASON STRONG

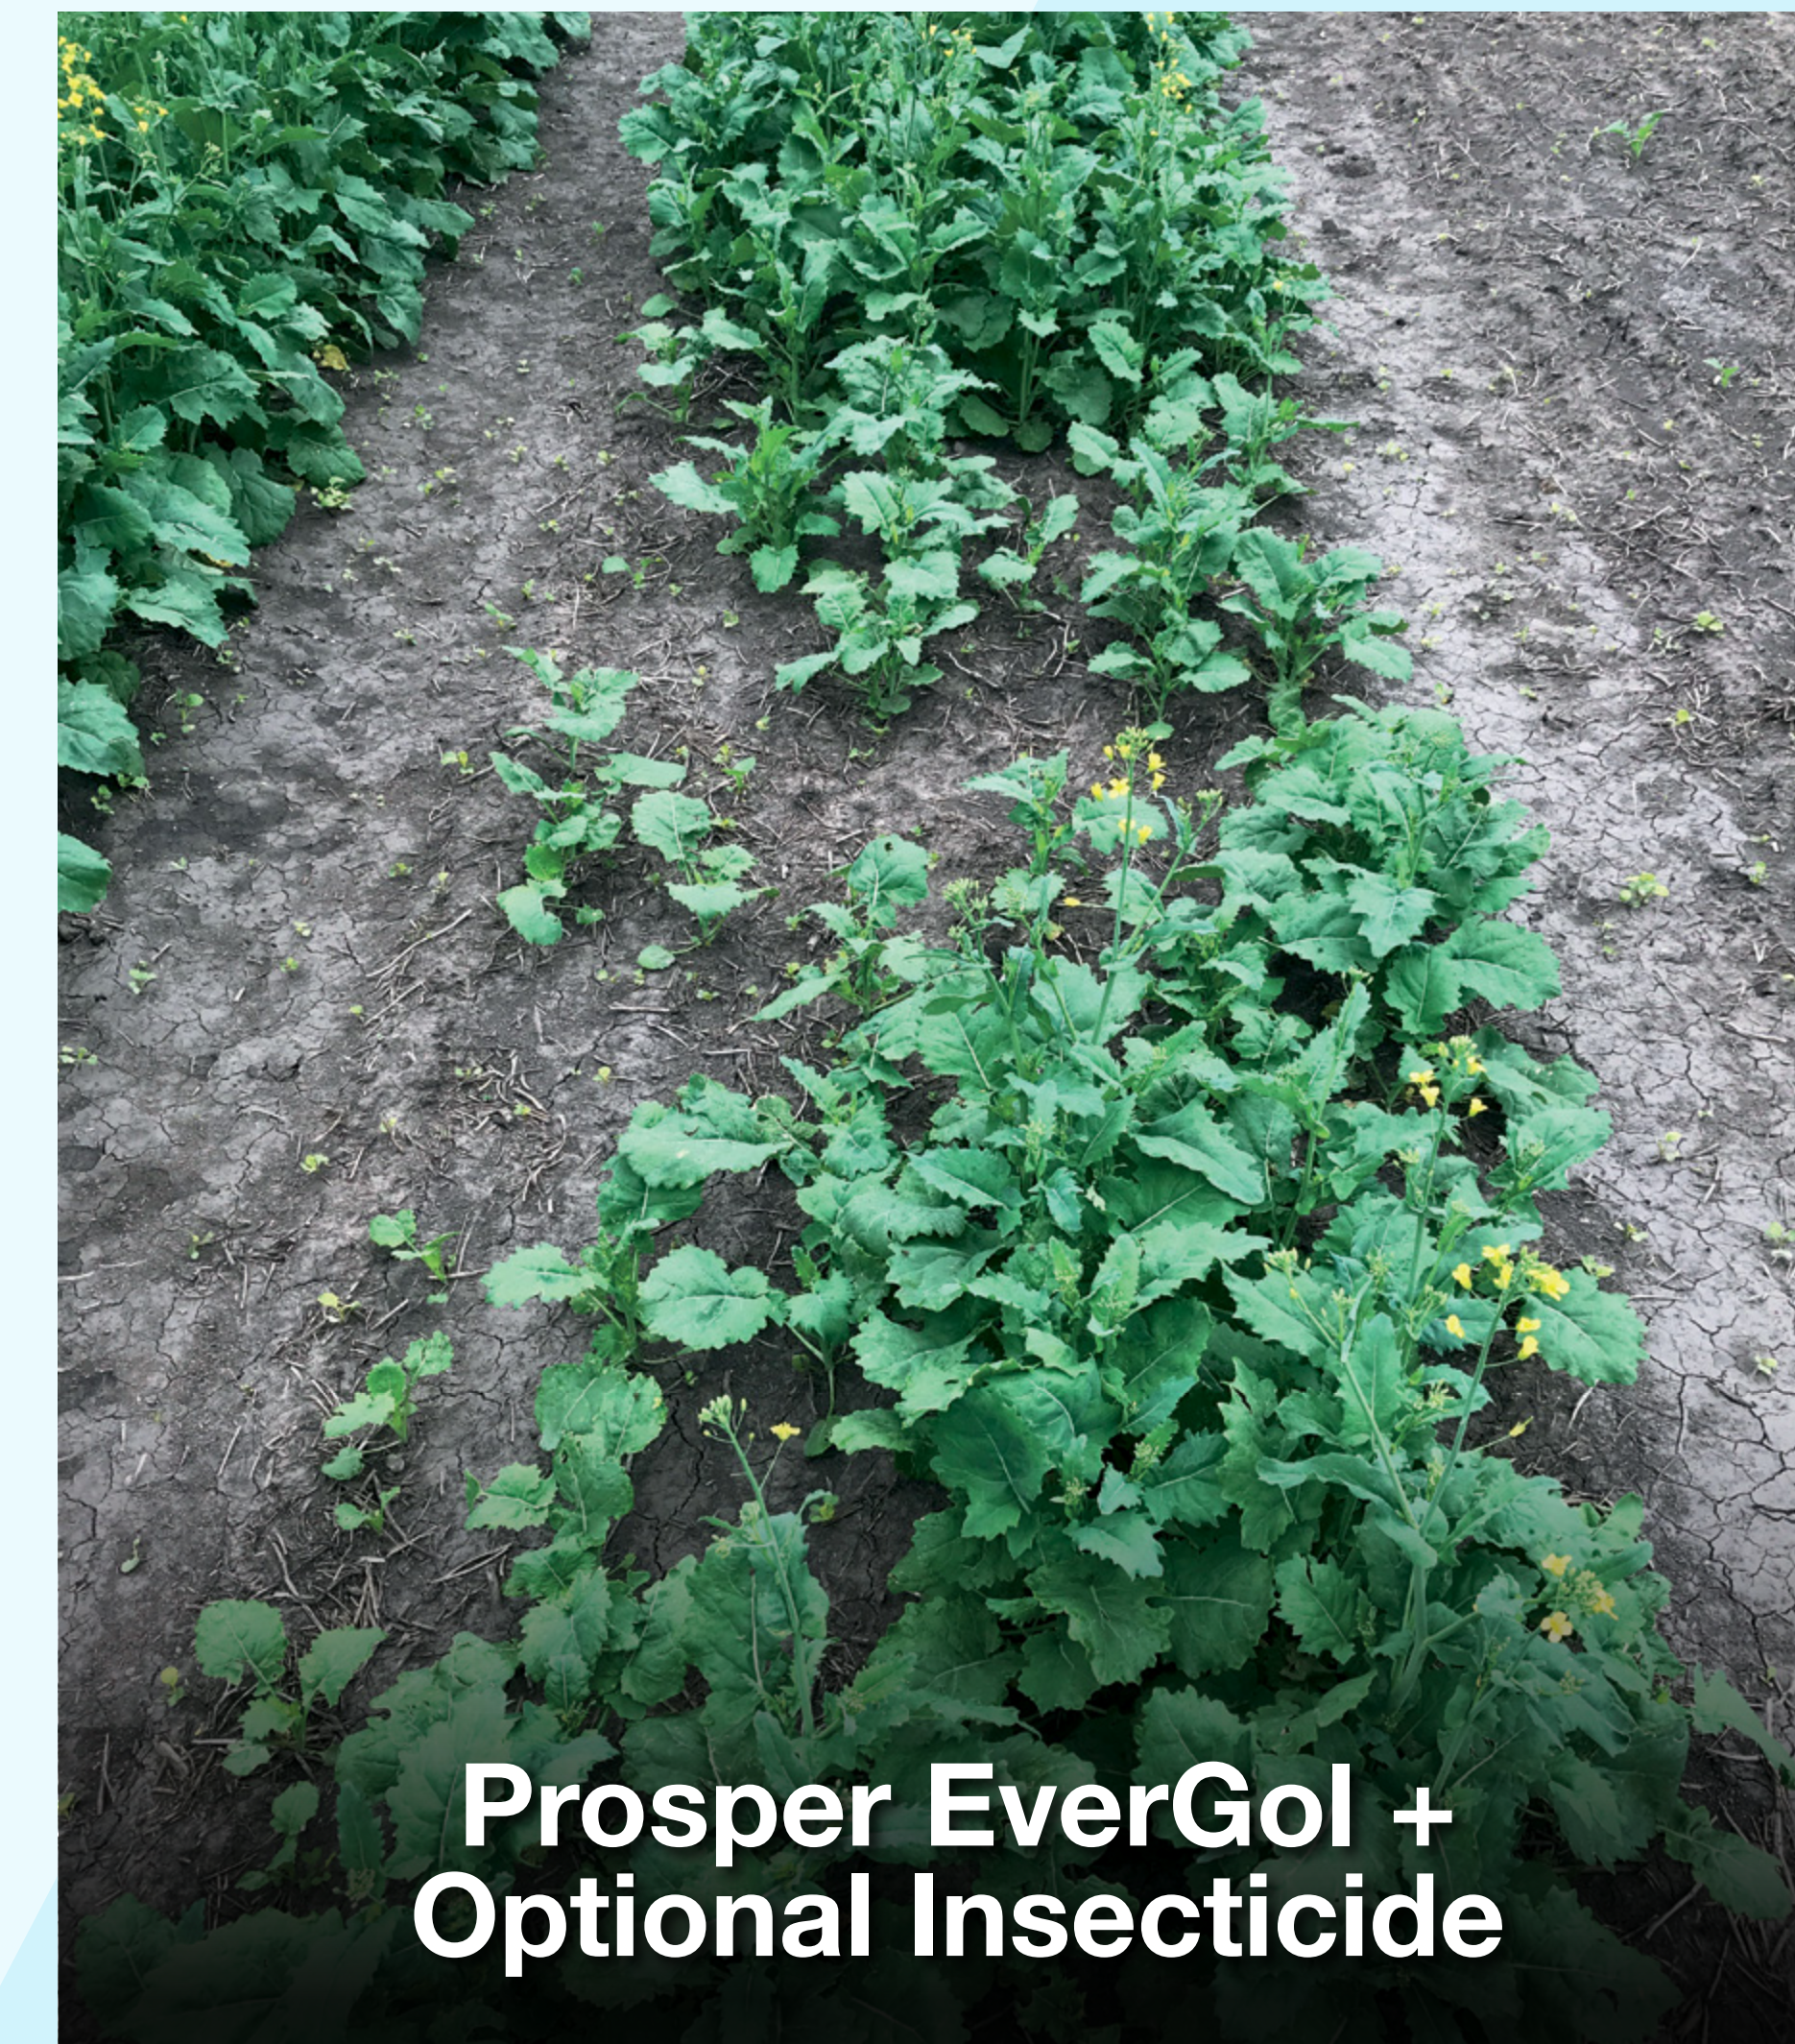

BUTEO[™]
start

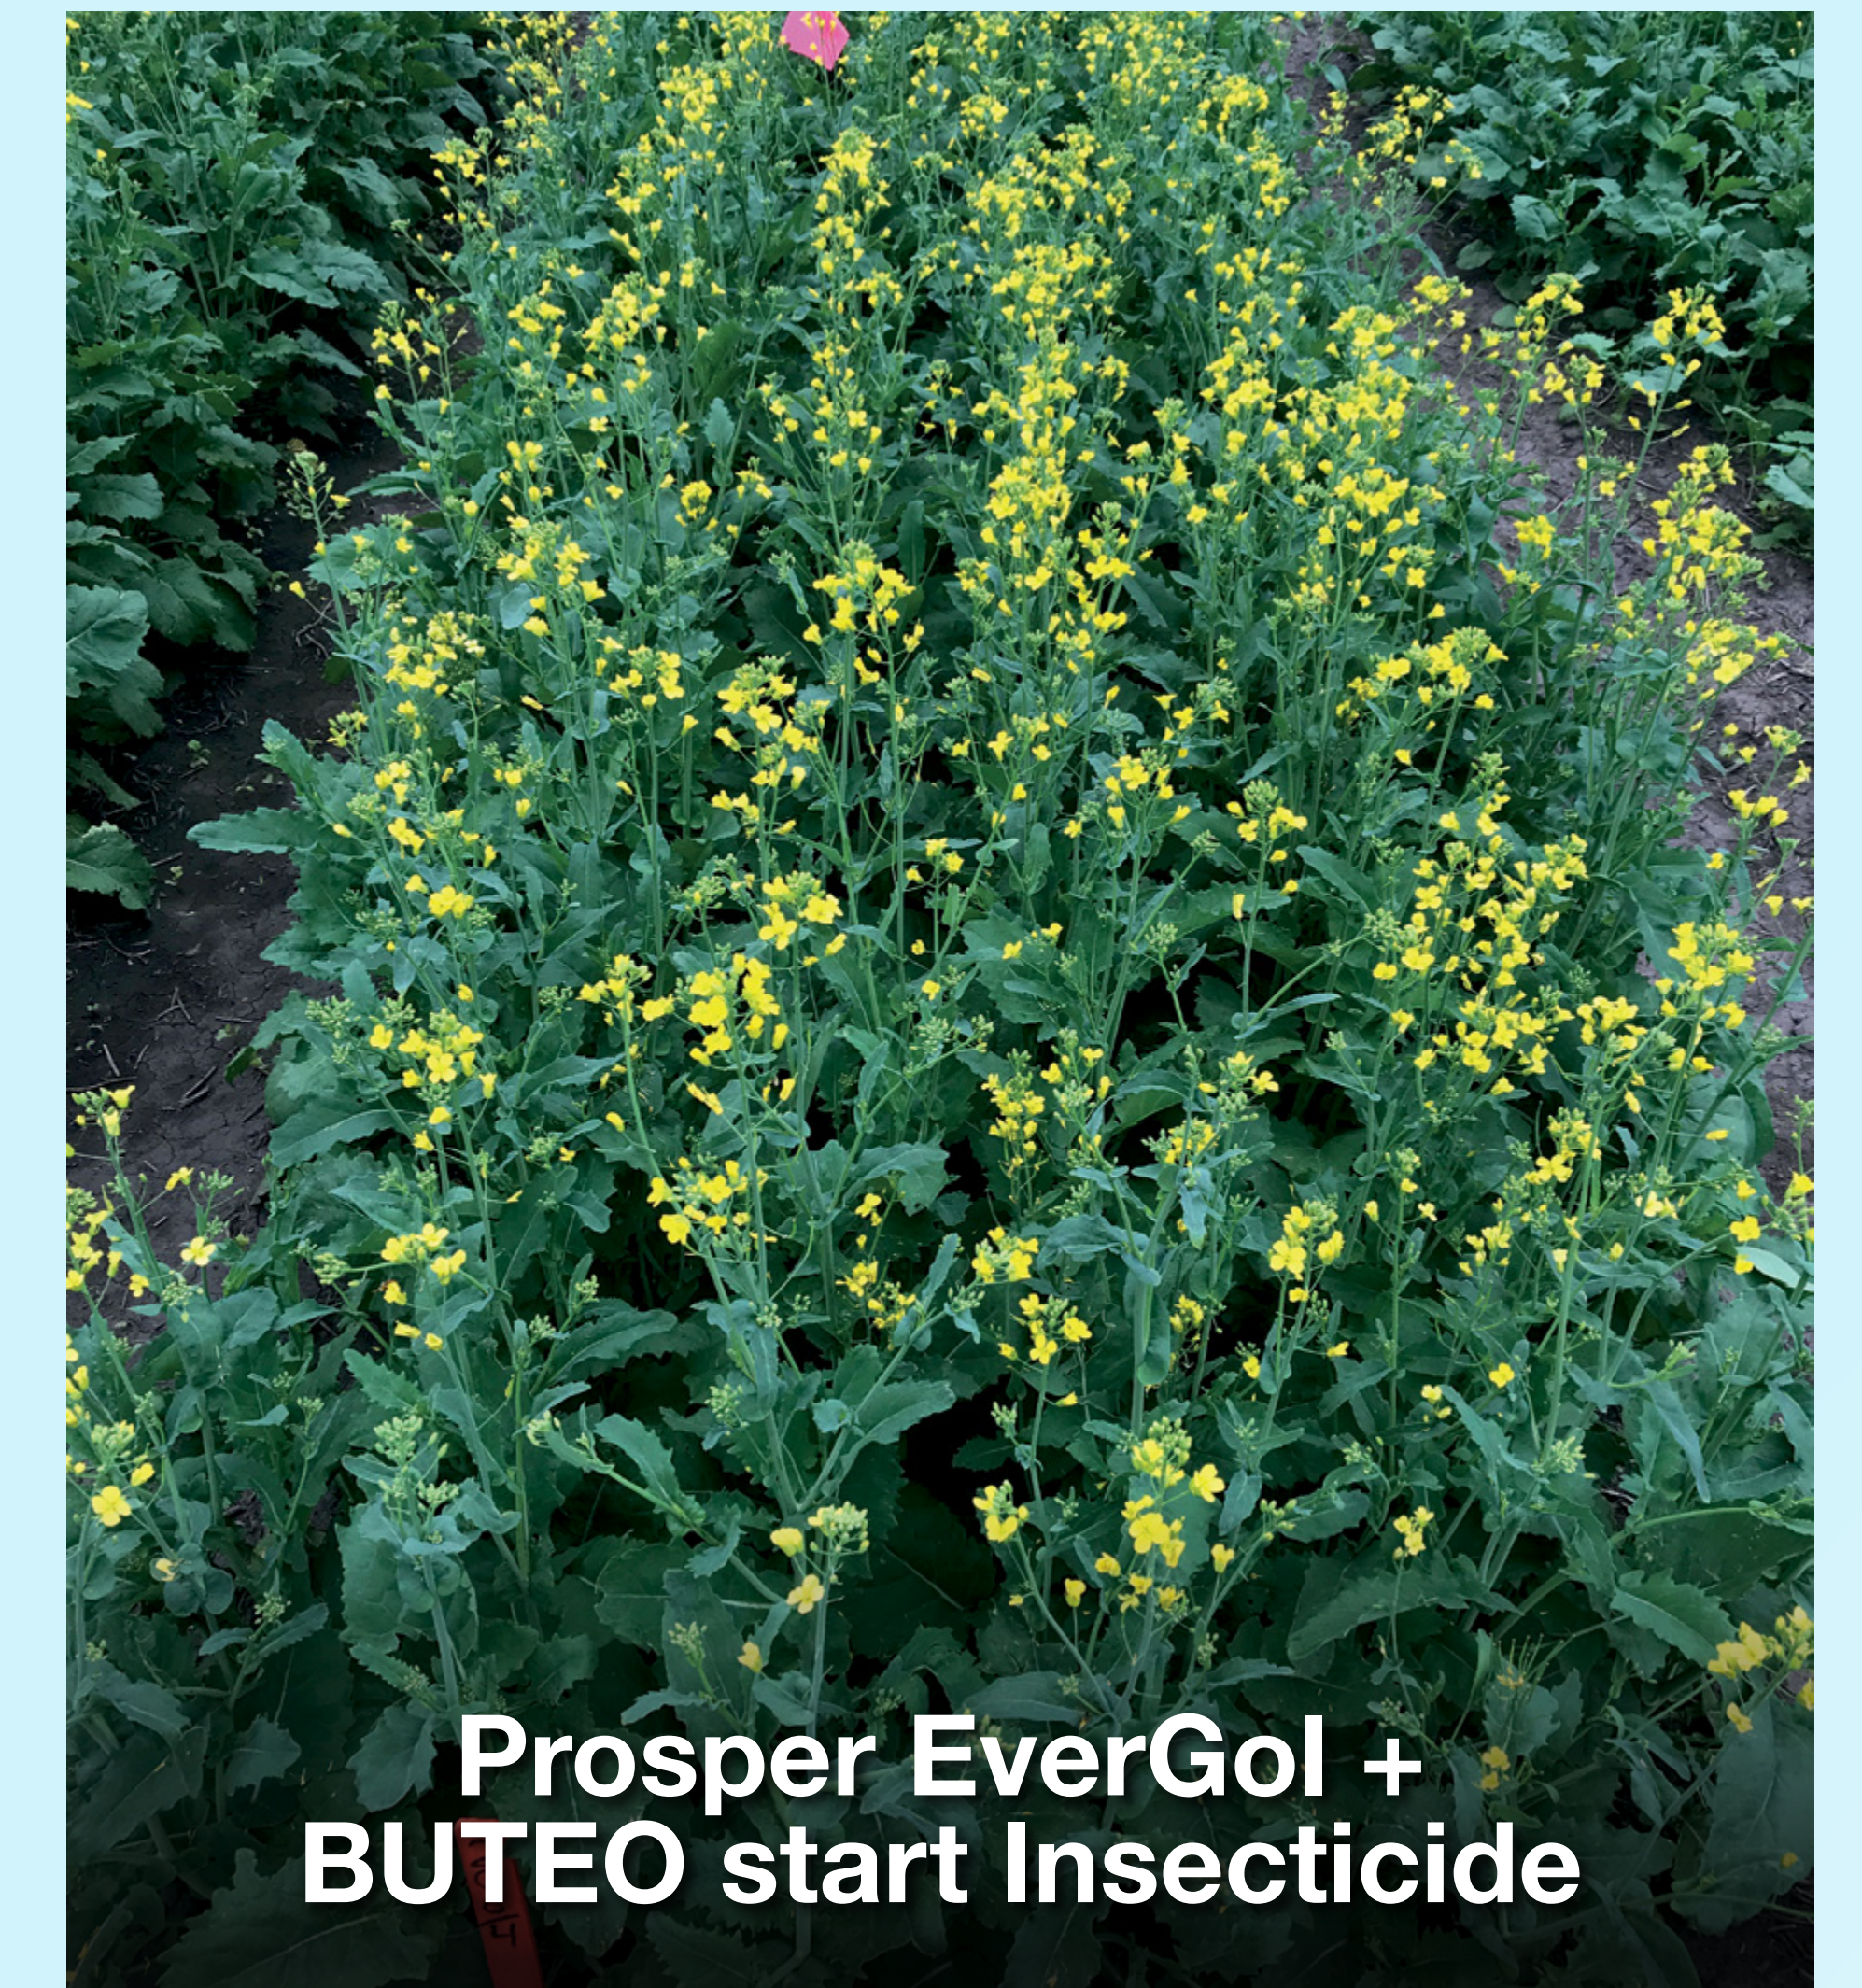

Fungicide Only

**Prosper EverGol
Seed Treatment**

**Prosper EverGol +
Optional Insecticide**

**Prosper EverGol +
BUTEO start Insecticide**

- // BUTEO[™] start insecticide seed treatment provides canola with protection against striped and crucifer flea beetles
- // Rapid uptake and translocation, even in dry conditions
- // Powerful, early protection helps a strong plant to develop, setting proper pollination and maturity
- // Works in combination with Prosper[®] EverGol[®] seed treatment
