WEED CONTROL

Control	Suppression	Not Labelled
---------	-------------	--------------

Ratings are based on Bayer research trials and experience, and demonstrate average control levels when evaluated over a wide range of environments and weed pressures. Ratings adhere to the label. Consult your Bayer representative or call 1-88-283-6847 on any unlabelled weed for weed control options.

*AMS for use on spring and fall wheat only. Durum wheat add a Non-Ionic Surfactant.
